TRAVEL FROM BRADLEY INTERNATIONAL AIRPORT TO TEC

Taft will be picking up directly from Bradley International airport at **3pm and 6pm**. You must have reservations with the TEC office to be picked up. **Please use the link above to secure a reservation.**

The Taft Van will pick up outside of Arrivals, (Terminal A) American Airlines. Since we are not allowed to park for any length of time, we will pick up at **3pm and 6pm only**. We will circle the airport once, if we need to, but will only stay for a few minutes to make sure you are there. If you are running late you will have to wait for the next pickup or you will have to secure your own transportation to campus. You should call the TEC office if you have missed the van (860) 945-7837.

If it is after 6PM you will have to arrange for alternate transportation to Taft School. The most economical way is for you to rent a car for one day from Enterprise Rental. We have an Enterprise dealer in Watertown and can help you deliver the car to them on Monday morning during break or lunch.
